2. Day Program - This increase reflects the inflationary rate which is consistent with other community services of this nature. The Province of Ontario subsidizes this program at a rate of 70% of net costs.
3. Transportation fee - This is a optional fee which is priced according to H.S.R. rates.
4. Meals on Wheels - This price increase reflects forecast estimates for raw food and labour for 1990. This is charged to the Victorian Order of Nurses per the Region's agreement (1988) for the provision of the actual raw food and labour costs.
